### PRODUCT DESCRIPTION

The Standard 4040X5 DOD High Security Shredder is designed to handle the heaviest loads of high security shredding. The 4040X5 NAS approved shredder is a level 5 security shredder, that shreds at a rate of 20 feet per minute, in to a size of 1 32 x7 16 . The 4040X5 shredder features include automatic start stop, automatic reverse, and automatic shut off when the 35 gallon waste container is full. The 4040X5 also has casters, so it can be moved to any area with ease. The 4040X5 is ideal for any business that needs to shred confidential documents in a large capacity.
