PRODUCT DESCRIPTION

Dahle 20835EC Level 6 Cross Cut High Security Paper Shredder In order to protect our National Security, military and government agencies require higher levels of security from their paper shredders. This Dahle High Security Shredder is NSA approved for NSA CSS Specification 02 01. Known for its power and waste capacity, this Dahle Department Shredder provides a practical solution for accommodating the shredding needs of even the busiest offices. Its attractive design and large waste bin make this a nice addition to any large office, copy room or communications center. The Dahle 20835 EC features a 16 feed opening to easily accommodate letter, legal and wide computer paper. It has a maximum shred capacity of 5 7 sheets at a time and features an oversized waste bin capable of holding 35 gallons of shredded material. A solid steel frame houses and aligns two perfectly matched cutting cylinders milled from a single bar of German Solingen steel. Its this design that maximizes durability and minimizes flexing to produce a consistently fine 1mm x 4.7mm particle size.
